

# WE BUY TOO!

We at *The Quirky Beagle* are always on the lookout for new stock. As dealers we are of course looking to make a little extra money on the items we buy but we make fair cash offers for items that are of interest to us. If you have items which you are considering selling, please look at this list to give you a rough idea of what we are hunting for. *If you have items that are not on this list it is still well worth getting in touch nonetheless as we always consider unusual and unique pieces.*
